

APPLICATION

THIS PART MUST BE FILLED OUT BY THE STUDENT (handwritten is fine!)

Name: _____

Date of Application: _____

Address: _____

Phone: _____

Email: _____

Date of Birth: _____

Current Year GPA: _____

School Attending: _____

Grade Level: _____

Semester Applying For (circle): Summer 2019

Fall 2019 Spring 2020

What is your favorite class and why?

Draw a 3-dimensional cube:

What was your favorite toy or toys when you were between 7 and 10 years old?

APPLICATION

What would you consider your personality to be?

What thing have you done in your life so far that you would say was a great accomplishment?

Why do you want to be considered for this program?

NOTE: The following 3 questions will be used for the information purposes, not to disqualify anyone from the program.

Have you learned any programming languages? If so which ones?

Have you used any 2D or 3D cad programs or any computer drawing programs? If so which ones?

List any previous experience with design, engineering and manufacturing principles that you have had:

I certify that I wrote the previous answers myself for the application into the CORE4 program at M4Reactor:
